We are invited to receive the ultimate gift, for which there is no substitute, worth infinitely more than all our dreams and fantasies. We accept this gift by simply falling open.

Adam shares the direct experience of the heart and mind falling open. In this effortless opening the suffering involved in resisting feelings and believing thoughts spontaneously releases. The natural abundance of joy, peace, wisdom, and love becomes apparent and available.

*“Adam is a great messenger of truth. He has a very unique transmission that does wonderful things for my spirit – spa treatment” - Pamela Wilson*

*“Adam delivers the essence of nondual awareness in an uncompromising form”  
- Peter Fenner*

Adam is the founder of The Center for Nondual Awareness ([www.nondualcenter.org](http://www.nondualcenter.org)), and the creator of “Falling Open,” a four-month online course that transforms the way participants experience life. He originally began publicly offering nondual teaching and coaching with the encouragement and support of Peter Fenner. Adam's work has also been greatly influenced by the heart-centered teaching of Jeannie Zandi.
