Falling Open

Thursday October 1st - 7pm - 9pm
Pebble Hill Church
320 Edison-Furlong Road Doylestown, PA
(\$10 suggested Donation - nobody refused for lack funds)

Adam's insightful discovery process has been influenced by the non-dual simplicity of Peter Fenner and the heart-centered softness of Jeannie Zandi. Adam shares the direct experience of the heart and mind falling open.

In this effortless opening, typical modes of suffering, resistance, and belief can spontaneously release. Attendees often find themselves intimate with a direct experience of truth that defies description.
