Inviting us to receive the ultimate gift, Adam shares the direct experience of the heart, mind, and life falling open. In this effortless opening, the suffering involved in resisting feelings and believing thoughts spontaneously releases. Our natural abundance of joy, peace, wisdom, and love becomes apparent and available. Heart-centered, gentle, and direct, Adam offers a path straight into the truth of who you are.

“Adam is a great messenger of truth. He has a very unique transmission that does wonderful things for my spirit—spa treatment.”—Pamela Wilson, featured in Ordinary Women, Extraordinary Wisdom by Rita Marie Robinson

“Adam delivers the essence of nondual awareness in an uncompromising form. He is whole-heartedly committed to creating new possibilities that are grounded in awareness and practical at the same time. I highly recommend him.”—Peter Fenner, Ph.D., author of Radiant Mind

Adam Chacksfield, Ph.D. is founder of the Center for Nondual Awareness and creator of “Falling Open”, a four-month online course transforming how participants experience their lives.
